WEEK 3

6th July - 10th July

Special Week!

Exploring Llauset: a mountain journey

Monday – Discovering and preparing the experience

We stay at school to introduce the experience and prepare for the trip. We learn about the Llauset environment, the routes, and organise our equipment.

Tuesday to Thursday – Living the mountain experience

We enjoy the mountains with organised transport, full board, and daily activities. We take part in guided walks and group activities, learning and working together.

Thursday - Return journey – Heading back home

We complete the final route, pack our belongings, and say goodbye to the refuge. We return home with many shared memories and experiences.

Friday – Visual summary and reflection

We collect key moments through photos, drawings, or diagrams. We develop visual memory by reflecting on and expressing what we experienced.
